OFSTED Inspection 24th & 25th September 2019

I am absolutely delighted to be able to share with you the outcome of our 2-day inspection last month under the new OFSTED framework that started this academic year. As you will have noticed from our new letterhead, we are officially rated a **GOOD** school! Every area was rated as good:

Overall Effectiveness
Behaviour and attitudes
Personal development
Leadership and management
Early Years provision

This is a reflection of the hard work, commitment, dedication and support of our team of staff and governors and I am very proud of every member of my team who has been part of making this happen in challenging circumstances in recent months. It follows the fantastic SATs results achieved by our Year 6 children; all our children here work hard and make great progress, which has been recognised, and I am also proud of them all too.

A copy of the report has been emailed to you, is on our website and paper copies are also available in our school office. It will be published on the OFSTED website on 16th October. Some highlights I would like to share that I am particularly proud of include:

Our pupils: *"Pupils care for and respect each other... Pupils throughout the school feel safe... Pupils behave and concentrate well in class... Pupils and staff have strong relationships...Pupils with special educational needs and/or disabilities are supported well..."*

Our staff: *"Staff have high expectations of what pupils can achieve... Pupils learn the skills they need to thrive in the future... All pupils are taught to overcome challenging tasks... Teachers are very keen to their very best for the pupils..."*

Our leaders: *The headteacher and the staff have worked hard to review and improve the school's curriculum... Every teacher in this school leads a subject... They have developed an interesting and ambitious curriculum... Governors keep a close eye on the school's procedures... This is a vigilant and caring school that ensures pupil's welfare is given the highest priority..."*

Thank you for your continued support and commitment to our school; we are sure you, and the community, will be as delighted as we are with this well-earned, absolutely brilliant result.
